Branding

Manila Coffee Festival

Project Type: Commission

Year: 2023

The Manila Coffee Festival 2023 is a vibrant celebration of Philippine coffee, honoring Filipino coffee growers and the rich culture surrounding local coffee traditions.

I was commissioned to design the visual identity for this event, with a focus on capturing the essence of the Philippines' coffee heritage and the festival's lively, community-driven spirit.

K Collectionz Pillows

Project Type: Commission

Year: 2024

K Collectionz Pillows is a family-run business specializing in customized pillows, known for their high-quality products and personalized designs. The rebranding project aimed to refresh the brand's image focusing on creating a more sophisticated and cohesive visual identity.

Kreative Lab

Project Type: Personal Branding

Year: 2024

Kreative Lab is my personal brand, dedicated to creating high-quality digital products for creators, entrepreneurs, and businesses. The brand's aesthetic is consistently sleek and minimal, emphasizing the quality and functionality of the digital products offered.

Branding

Dose Coffee

Project Type: Academic Work

Year: 2024

Dose Coffee is a conceptual coffee brand designed for my subject in Desktop Publishing. The brand centers around delivering a fresh, energizing experience with its tagline, "Your Daily Dose."

The objective was to create a cohesive and memorable brand identity that resonates with coffee enthusiasts seeking both quality and reliability in their daily brew.
